(No requests with fewer than 8 points will be considered for approval)

Possible Points	Does the application have the required signatures?	Amount of time since last grant request by this applicant:	Number of Students Served by the Grant Request	Can the request be partially funded?	Does the request meet the mission of the foundation?	How long will the item(s) requested last?	What level of enrichment vs. basic needs does this request serve?	Comments
4	Yes	First request by this instructor	An entire school	Yes	Yes. It is exactly the type of request this foundation was designed to support. Check all that apply: ☐ STEM ☐ Fine Arts ☐ Libraries ☐ Opportunities for new curriculum ☐ Supports teaching and learning. ☐ Other _____	Indefinitely	This request is above and beyond what the school district would provide. (100% enrichment)	
3		Over 1 school year	An entire grade level	Maybe	Yes. It meets some of the qualifications of the foundation mission.	1-5 years	This a request the school district might provide if the funds were available, or meets elsewhere. (i.e. the book room, music boosters, etc)	
2	No, but may be an oversight. May send the request back to obtain proper signatures.	1 entire school year	An entire class	No	It loosely supports the qualifications of the mission.	1 year only	This is a request the school district SHOULD be providing.	
1	No	6 months	Fewer than 25 students.		No. This is outside the purview of the foundation's mission	One time use	This is a request the school district already provides.
